## CORPORATE PROFILE

24x7 Logistics Private Limited is an international logistics company with offices in India and the USA. We are a family owned, professionally managed company with over 30 years of logistics experience, specializing in customized logistics solutions for our clients.

We offer a gamut of end-to-end logistics and supply chain services along with customs brokerage and documentation management. We can handle shipments varying from less than container loads to full container loads as well as overweight and oversize cargo for both ocean, air and over the road freight forwarding.

As a service based company, our continued success is dependent on our people. Our operations are structured around one point of contact for the customer. Coordinating over thousands of time sensitive shipments annually, we at 24x7 Logistics, as the name suggests are available 24 hours, 7 days a week.

This allows us to track our customers' loads vigilantly as well as respond to any customer needs promptly. At the end of the day, our business is your business and we're here to assist with your supply chain solutions.

Our strength lives in all of our people. They have extended our tradition of service and integrity to companies in every location and situation, and take pride in making us one of the most resilient resources in the global logistics industry. We work with different customers in a variety of different market segments. Included in these different markets are the consumer durables, personal effects, food and beverage industry, automobile industry, and retail goods. We work with customers of all different sizes, ranging from Fortune 500 companies to SMEs and family owned businesses.

**Let our service speak for itself!**

## LOGISTICS & SUPPLY CHAIN MANAGEMENT

### INTERNATIONAL FREIGHT FORWARDING (AIR & OCEAN)

24x7 Logistics has a well-established global freight and trade network, offering a single-window solution to manage and forward freight internationally. With the large volumes we handle, we are also able to offer competitive freight rates across multiple locations. We offer 24-hour services that include all pre-shipment and post shipment formalities, including customs clearance. We book space for import consignments and arrange all the shipping requirements of our customers. Serving major overseas shipping agencies, we are authorized to handle the bill of lading, collect freight and other dues on behalf of principals / agents to coordinate with consignees for delivery.

### STORAGE AND WAREHOUSING

Warehousing is at the core of our supply chain management services. Our warehousing and storage services offer dedicated as well as shared spaces in strategically located warehouses, covering a

nationwide area. Our warehouses are equipped with top-class Material Handling Equipment such as forklifts, electrical pallet trucks, systematic racking system, hydraulic docking systems etc. coupled with well-trained professionals at all levels. Depending on your requirement, we can offer Shared, Contract, Open Yard and Palletized & Racked warehousing services. We also offer Warehouse Management Systems, which can be customized to specific customer requirements.

### DISTRIBUTION AND LAST MILE FULFILLMENT

With a vision to deliver any cargo across the country, 24x7 Logistics has established its distribution network. We offer customized and unique distribution and last mile fulfillment services that guarantee total satisfaction, whatever the business need, including, Primary Transportation, Secondary Transportation, Full Truck Load, Trailers, Part Truck Load, Over Dimensional Cargo or Express Cargo. We can offer all modes of transportation, logistics as well as reverse logistics i.e.

## LOGISTICS & SUPPLY CHAIN MANAGEMENT

by sea, air, road or a multimodal. We can also manage your complete documentation processes with complete trust and reliability, thereby saving your valuable time and money.

### SURFACE TRANSPORTATION

24x7 Logistics Surface Transport services provide regular and standardized surface transportation services, assuring safe handling of your cargo. We aim to deliver your cargo in flawless condition, thereby providing absolute satisfaction to our clients. We ensure the use of best vehicles with regular maintenance for transporting cargo. As a result, we rarely face breakdowns or maintenance issues making us one of the best providers of surface transport services in India. Our service standards for land transport are also precisely coordinated with the growing needs of industry and commerce. Services with clearly defined transit times give our customers the security they need in order to budget reliably and keep an exact control of the flow of goods. What

distinguishes us is our container transport services, wherein unique systems with regard to cargo safety and operations reporting have been implemented. These systems and procedures result in enhanced cargo safety and elimination of delays and mishaps.

### PROJECT LOGISTICS

We supply project logistics services to customers involved in the construction and supply of industrial projects, whatever their role - project owner, contractor or supplier. 24x7 Logistics' project logistics services are customized for each individual contract, to satisfy these often-complex tasks. Our expert teams use the creativity and skills that come from long experience in the field. Anything heavy and oversized gets our special attention. With consulting, planning, preparation and execution capabilities in the same hands, we offer an integrated approach to ensure that we meet our customers' precise schedules, whether the components originate from one country or from across the globe.

---

## LOGISTICS & SUPPLY CHAIN MANAGEMENT

### CARGO CONSOLIDATION

We help our customers by arranging for cargo consolidation (by air/ocean). Our cargo consolidation services include air cargo consolidation and freight consolidation services, transportation of cargo to the stuffing point, stuffing of cargo in the container, customs processing of shipping documents and use of premium air/shipping lines. We have specialized experts to ensure that your cargos are handled efficiently. We make sure that the cargo reaches the respective destination well before the specified time through our air cargo consolidation and freight consolidation services.

### THIRD PARTY LOGISTICS – 3PL SERVICES

24x7 Logistics offers complete Third Party Logistics (3PL) services. 3PL services offered include warehousing, fulfillment, transportation solutions and logistics consultancy. We provide 3PL services at highly competitive rates on various pricing models. This enables you to concentrate on your core business, which will surely improve your business performance,

and save costs that might be spent between each process. Enjoy a customized combination of warehouse management, operations and distribution system that best suits your needs, a service backed up by advanced technologies but at reasonable charges. We can provide innovative 3PL services thanks to our advanced information systems and our efforts on standardizing operations through our information systems and a review of operation processes. These innovative 3PL services can locate wasteful processes, and find and remove the cause, which enhances the quality of logistics services.

### EXHIBITION CARGO AND EVENT LOGISTICS

We assist companies that are participating in exhibitions abroad in transporting their cargo and marketing materials to the venue of the event. Moreover, we also help companies that are taking part in exhibitions held in India or the USA to bring their cargo and other equipment to the event venue in a convenient and timely manner. Once the event is over, we also assist in packing and sending back the cargo by managing reverse logistics.

---

## LOGISTICS & SUPPLY CHAIN MANAGEMENT

### CONSULTING AND TRADE FACILITATION

With extensive on-the-job logistics and supply chain operational experience combined with specialized education, 24x7 Logistics provide cost effective and creative warehousing, distribution, supply chain as well as material handling consulting services for leading retail, wholesale, and consumer manufacturing companies. Being in this industry for decades, we are keenly aware that logistics has increasingly become a key factor in cost and quality customer service distinguishing one company's products from another's. Our logistics consultancy is well qualified and prepared to help you craft the logistics concept best suited for your organization. We will assist you in developing the very best logistics network, warehouse layout, manufacturing plant layout, material handling solutions and information systems for your supply chain.

---

### CONTRACTING AND TRADING

Do you have a product that you wish to trade and distribute in India? If so, 24x7 Logistics can be your best partner in assisting you penetrate the Indian market. CATCO – Contracting and Trading Company, a sister company of 24x7 Logistics with its own Import-Export Code (IEC), logistics infrastructure and associated customs license can be your competitive edge in the Indian market. Our clients' business needs define how we store and distribute products across India through various channel partners, while maintaining highly competitive prices, thus adding significant value to our customers' operations and ensuring business sustainability.

---

## CARNET IMPORT - EXPORT

Carnet is an international customs document that allows the holder to temporarily import goods without payment of normally applicable duties and taxes, including value-added taxes. The Carnet also eliminates the need to purchase temporary import bonds.

Obtaining a Carnet document or processing import – export under Carnet is a specialized and technical service. Since inception, 24x7 Logistics has been assisting companies and individuals in the import processes of automobiles, commercial and exhibition cargo into India under ATA Carnet or AIT Carnet documents, whichever is applicable.

We understand the need to have your cargo cleared and delivered in time, especially because exhibitions have predefined schedule. Therefore, 24x7 Logistics will ensure that your cargo is available for exhibition and display as per your requirements and timelines.

---

## RELOCATIONS

Apart from providing you logistics and supply chain services 24x7, we are also globally renowned in providing international as well as domestic packing, moving and relocation services.

21st Century Relocations, a company owned and managed by the Directors of 24x7 Logistics provides innovative and flexible moving solutions through its branch offices and international network.

Since inception 21st Century Relocations has been assisting thousands of Families, Individuals, Expats, Consulate and High Commission representatives as well as corporates with excellent moving services.

Our services include:

- Packing and Moving
- International Relocations
- Global Move Management
- Domestic Relocations
- Pet Moving
- Office Relocations
- Crating
- Shipping
- Storage
- Insurance

## EXCESS BAGGAGE

If you are traveling with excess baggage and want someone to move it door-to-door or door-to-airport at very competitive rates, then 24x7 Logistics can assist you effectively.

As a specialist excess baggage shipping company, we move personal effects, unaccompanied baggage to international destinations worldwide. Since 2005, we have helped many tourists, individuals, students as well as corporates to move their excess baggage via air at competitive rates.

We have contracts with all major airlines to provide you with cheap rates for sending your baggage at express speeds. Our regular airport export customs services offer speedy clearance of your baggage.

## INSURANCE

24x7 Logistics can arrange insurance cover at extremely competitive premiums for all your import and export cargo shipments worldwide.

Our insurance services are customized specifically for Cargo, Freight and Marine insurance to shippers and freight forwarders. Our specialist teams work in the cargo insurance industry and so are at the forefront of the cargo insurance industry. Unlike large conglomerate insurance companies, we are not a division of a large insurance company who employ commissionable sales staff to sell insurance.

All of our policies are specifically tailored to meet your needs. The policies we use are cost-effective whilst comprehensive and our trained customer service staff can help pick out the right policy for you.
